UWE CTF Falcons Complaints Process :

During an event managed by the society, attendees can lodge complaints verbally with any committee member (who will clearly identify themselves before the start of any event).

Complaints can also be lodged electronically via the society's contact email address: contact@ctffalcons.com.

The committee member will assess the situation with both parties. If the accused is found to be in violation of the Code of Conduct, the committee will issue a single verbal warning or evict the relevant person(s) from the venue. The remaining committee members will be informed of the outcome of the dispute.

If the complainant is unsatisfied with the resolution proposed by the society committee, they can refer the complaint to the Student Union for further resolution.

If a complaint is upheld, the panel may invoke sanctions that may range from a written warning about the member's actions, to the suspension or removal of any or all rights and privileges of membership including the holding of office, and membership of the society itself.
